# GATEWAY CALIFORNIA

think big. act strategically. pursue bold projects.

**LISA DOLAN** serves as the Vice President of Strategic Sales for the Global Supply Chain firm ALOM, headquartered in Fremont CA. Lisa is a highly seasoned Supply Chain Executive with 20 years of experience in Global Supply Chain and Reverse Logistics Management. During her 14 years with ALOM, Lisa has implemented strategic Supply Chain plans that significantly reduced costs and improved service and quality levels for some of the worlds most respected High Tech, Medical Device and Pharmaceutical Companies and Government Agencies. Utilizing her experience she helps organizations streamline operations and increase visibility throughout the entire supply chain. In addition to holding a position on the board of the CSCMP SFRT (President) she is also an active member of the Reverse Logistics Association and a panel speaker.
