think big. act strategically. pursue bold projects.

PANDA MORGAN served as a business consultant for the Greater Sacramento and Yuba Community College Small Business Development Center's for thirteen years, specializing in writing business plans, personnel handbooks and marketing strategies. She worked with clients to assist them in structuring their business plan and pro forma projections toward the goal of securing financing. Panda is currently the Director for both the SBDC Greater Sacramento and the SBDC Greater Sierra.

Sacramento native, Panda Morgan has owned three businesses; a business planning and development firm, a van and storage company, and a website marketing business. Prior to owning her own companies, Panda worked in the financial industry for over 25 years, with experience in both operations and lending. She holds a B.S. in Business Administration from St. Mary's College in Moraga.
